

SAVE ENERGY, SAVE \$\$\$

Your future ability to deliver cost-effective government services will be affected by how well you manage your energy use and greenhouse gas emissions. Make the 3% cuts and demonstrate government leadership.

These workshops will help staff at every level of your organisation understand the impacts and know what can be done.

ENERGY & GREENHOUSE BASICS WORKSHOP

6 October, 2009 afternoon session or 7 October, 2009 morning session

Workshop Agenda

What will the new legislation mean to my agency and policies?

What are greenhouse gases and how do we measure them?

How can I understand our energy use?

Practical measures every person in an organisation can take now to save energy and save \$\$\$

Who should attend: Every employee and manager

Venue: Scitech, City West
(Railway Pde, corner Sunderland St, West Perth)

Investment: \$250 per person, plus GST
\$200 per person, plus GST for WA SEA and AIE members

TAILORED WORKSHOPS

The workshop above may not suit your requirements. Talk to HAC about your primary needs and we can develop tailored workshops to meet those needs.

In the metro area? Have your own training space? We can deliver training in your own workplace at no extra charge!
